We have conducted an audit on the accounts and transactions of the Taxpayer "Senkroma Boyar Madde San. ve Tic. A.Ş." for the period 01.01.2020 – 31.12.2020 in accordance with the provisions of Public Accounting, Independent Public Accounting and Certified Public Accounting Law No. 3568 as well as with the General Communiqués relating thereto for the purpose of revealing whether the Taxpayer's books, documents and records reflect actual business operations and transactions of the Taxpayer truly, and we have concluded that:

- The documents which constitute the basis for the book records comply with the applicable procedures and are true,
- The book records have been kept in accordance with the Accounting Principles and General Accounting Rules cited in the General Communiqués on the Implementation of the Accounting System,
- The commercial profit of the Taxpayer for the fiscal period of 01.01.2020 – 31.12.2020 is 20.892.018,70 TRY.

Best Regards,

KPMG Certified Councillorship Inc.
